

Dear PEMCo Fan,

Thank you for considering a donation to Notre Dame's only musical theatre group, an entirely student-run venture that consistently produces top-quality performances every semester and welcomes students of all years and majors.

PEMCo needs your help to continue operating at the level of professionalism we always strive to reach. Our external funding has decreased in recent years as the group gains wider name recognition and popularity across campus. We have not been able to purchase our own functional equipment for larger, better shows but have had to rely on borrowing and renting what we need from other groups. With your support, we can maintain this tradition of the arts at Notre Dame and the standard of excellence that is associated with the PEMCo name.

Contact Deb Acrey at Debra.D.Acrey.1@nd.edu for information about how to donate to PEMCo.

Thank you for your support!
